TermiGuard AMC — Warehouse Pest Management Proposal

Thane Warehouse · Submitted to Northbridge Properties Pvt Ltd

1. Pest Management Scope and Methodology

TermiGuard AMC guarantees monthly general treatment covering the full warehouse storage and dispatch zones.

Tamper-proof rodent stations checked fortnightly along the entire facility perimeter.

Comprehensive annual termite treatment included in the contract scope at no added cost.

Our technicians utilize only approved chemicals with safety data sheets submitted before treatment.

A formal technician report after each visit will be handed to the warehouse supervisor.

In the event of acute pest sighting, guaranteed emergency within 24 hours.

2. Financial Proposal
